As a condition of receiving the Student Rental Assistance Stipend from GRTHA, I agree to provide GRTHA with the following documentation for each term:

- College enrollment verification that will include the number of credits taken, name and student ID number.
- Copy of passing grades for each term attended as I receive them from the school

### **I understand that:**

- Student rental assistance is not retroactive and does not begin until I have completed the move-in checklist and turned in all required paperwork to GRTHA.
- If there is a change in my income, housing situation, or school enrollment status, it is my responsibility to notify GRTHA immediately.
- If my cumulative GPA drops below 2.0 (or school equivalent), I understand that my rental assistance stipend may be suspended until my GPA is acceptable.
- I shall abide by the lease agreement with my landlord. I understand that I risk losing the rental assistance stipend from GRTHA if I get evicted for violations of my lease agreement.
- I must abide by the Student Rental Assistance Program Policy and Procedures, which by reference, is made a part of this contract.

I, the undersigned and agree to all terms and conditions of this contract between GRTHA and me. I have the full and complete understanding that should I fail to notify GRTHA about any changes in my income, school enrollment, housing tenant status, or otherwise violate the terms of this agreement, the rental assistance stipend will be discontinued, and I may be required to repay any monies received. I also understand that based on my or my family's individual tax circumstances, this rental assistance stipend may be taxable income by a Federal or State government in the year received.
